

What it's all about

The Music Festival is in aid of urgent repair work to the masonry of our ancient Grade 1-listed church. £25,000 needs to be raised this year towards the £130,000 project, which is part-funded by the Heritage Lottery Fund. As well as attending these wonderful Concerts, you can help us reach the target in other ways:

Be a Festival Friend for £100

You will have your name listed on every programme and receive four reserved-seat tickets for the concert(s) of your choice. Simply enclose £100 with this Booking Form, indicating the Concert(s) at which you wish seats reserved.
